Ryan Hoffman
CS302
Grade Improvement Project
12/8/2019

To Compile and Run: Enter folder named "GradeImprovement_RyanHoffman" and type
"make".

Notes:
- All code for assignment is inside grade_improvement.cpp
- Text file that will be read from is called "words.txt". You may edit it if you wish.

```
g++ --std=c++11 grade_improvement.cpp -o grade_improvement
./grade_improvement
file 3
testing 1
text 1 3
this 1
